

Senior Performing Arts Trip

"The Tony Award-winning Broadway musical Carousel is a powerful ride of hope and tears. With stunning choreography and breathtaking music, Carousel was Rodgers and Hammerstein's personal favorite of all their musicals, and was dubbed "the best musical of the 20th Century by Time Magazine. From the magical evocation of the carousel in the overture to the majestic and moving strains of the immortal song "You'll Never Walk Alone," this giant of the musical stage remains timeless and star bright. The poignant and heartbreaking story of the faithful Julie and her brutish husband Billy is one of the most powerful books in musical theatre history and perfectly matches its extraordinary score with the memorable songs "If I Loved You," "June is Bustin' Out All Over," and Billy Bigelow's famous "Soliloquy."
